

BELLE ISLE RESIDENTS ASSOCIATION Board Member Selection Process

Board members are elected at the General Membership Meeting in January for a two year term. Any resident of Belle Isle who wishes to join the Board of the Association must complete an application and submit it to the Nominating Committee at least two weeks prior to the December Board meeting. The Nominating Committee will determine which candidates will be included in the slate to be presented at the January Membership Meeting.

Additionally, Board members may be added during the year if there are openings available in the fifteen member board. Applications submitted to the Nominating Committee during the year will be reviewed by the Board. Qualified applicants will be invited to attend a Board Meeting and the Board will notify the applicant in writing of its decision. If there are no current openings, the application will be kept on file until such time an opening becomes available.

In December and May of each year, a notice will be posted to the residents of Belle Isle notifying them about the opportunity to join the Board. The notice is posted continuously on the website, belle-isle-residents.org.
